

Timeline prior to Peleman-based UN SC Resolution of 2000

Richard Chichakli was introduced and initially inserted into the matter of Victor Bout through the United Nations Security Council resolution No. S/2000/1225, as he was incorrectly described as "Victor Bout's Chief Financial Manager who had held senior positions in Bout's companies for several years for over the last decade" which ended by the date of the resolution being December 21, 2000. The description of Chichakli-Bout relations and the role of Richard Chichakli in Bout's organization in the said resolution is nothing but the invention of Johan Peleman, the UN contractor/investigator who prepared that report that was drafted into the said resolution. Richard Chichakli can prove, with evidence and beyond a doubt the falsity of the UN Security resolution S/2000/1225 allegations against him. The listing below clearly shows that:
